“ Charles and family-Im so sorry to hear of Liza's passing. I used to work for an insurance company that did business with yall. Liz was incredibly kind and I always enjoyed talking and visiting with her. Sometimes when she would call my office she would be watching a grand baby. She would talk to them while she talked to me. She told me how much joy they brought her, but she didn't have to tell me, I could tell. I'm proud that I had the opportunity to know Ms. Liz. Your family will be in my prayers.

“ We met in the 5th grade because of Mickey and remained friends. Liz always said we may be apart in distance but never forgotten in our hearts. We had a true friendship and an unconventional love between us for yeats always in our thoughts and hearts. Sisters by hearts always. Always thought I'd have another day or month to come see her , I know I'll see her again in our Heavenly home.she was my oldest and dearest friend and will be dearly missed.
