“ We will miss her at the Winchester Reunion. Ercel was a special lady and lived life to the fullest. So much fun to be around and her mind was so clear. My favorite memory of her was her driving skills. Met her at Hardee’s one morning and she was on the way to the doctor in Anderson at 102 years old. We will love and think of her often. Prayers and condolences to the family.

“ Sincere sympathy to the family and especially to Hugh and Nancy. What a wonderful life being able to live independently for so long. I know you will miss her but heaven gained an angel.
