“ I am so sorry for your loss. I remember the first time I met Mark. He was a courier for St. Francis and came into my doctor's office where I worked downtown Greenville. I always looked forward to seeing him daily as he had a way with words (great sense of humor) and always asked about how you were doing. He was the highlight of my day at the office I worked at back then. Then I came to work where Tammy and I worked together and it took a while before we put it all together, but I always remembered Mark talking about his wife Tammy and kids it was amazing to finally meet his wife that he talked about! He will truly be missed. Heaven gained a sweet man

“ I met Mark when he was a courier for St Francis and I worked at St Francis doctors office. He would make us smile every day. He often gave us a hard time about things just to make us laugh and help us get through our day. It was always a pleasure to see him. A few years later I met Tammy at my next job. We put the two together one day after I saw a picture she had of them together. Their love for each other and their kids and grandchildren is an amazing thing to see. Such an awesome love they have for family and Jesus. Praying for comfort and peace during this hard time.

*Mark was a dear man. He loved people and they loved him. We played together as children at the Pine tree between our house and our grandparents . The pine tree is gone and one day will meet and play again at the Pine tree. I loved him dearly, even though I did not see him very often. He was in my heart. Cuz now you in heaven singing in a very special choir. Love to you Tammy and your children and grand children! You all are in my prayers. Jane Martin*
