“ *To my awesome family, You were there for mom when she needed your love and care. You went above and beyond to see that she was comfortable and filled in for me while I was sick and could not be there all the time. Mom is smiling in Heaven because she knew her children, husband, grandchildren and friends loved her very much. I will miss my sweet smiling face mom as each of you will, but we know she is in Heaven and is suffering no more. I love each of you dearly. Louise Holcombe*
