“ When I was driving the bus Evelyn would always send Stanley out with a sausage biscuit or what ever one she made that morning for me She reminded me of that the other day when I was talking to her. I had forgotten but as we were talking she reminded me of it and I will always have a warm place in my heart for her. She was a special lady.

“ Aunt Evelyn was precious to us. She was a huge part of our lives and we will miss her smiling face and her personality. She was still working at 79 years old and faithfully dedicated to Frank and her children.

Our hearts are shattered and we are devastated in losing her. Evelyn is the last surviving member of the Thomas and Delphia Ramey Reece immediate family. We are praying for Uncle Frank, Stanley, and Sherry that God will give you peace in difficult times. We love you.

“ My thoughts and prayers for Mrs. Evelyn's family. Every time I was off on Wednesday I would head to the flea market. I would stop and talk to Mrs. Evelyn and grew to know and love her. I am so thankful that the last time she came by my work I was able to talk to her for a minute and tell her I loved her. She was a special lady and one that I will miss.

“ Evelyn and I were good friends at the Pickens Flea Market. We sold across the aisle from each other for several years and talked a lot. She will be missed by lots of people as will her flowers. She was a very special lady.

“ *To the family of Evelyn, So very sorry for your loss. Evelyn had the sweetest personality and was always very friendly. I remember that she loved her hummingbirds. Rodger and I were siting on her porch one day and just swore to goodness we were gonna be speared with one. She was happy and so were the hummingbirds. She is in Heaven now and enjoying the reunion of all the family members.*
