“ *I so shocked and heartbroken! This was so unexpected! We became friends in 8th grade and though over time, we may not have been as close as we once were, I always considered her my friend. She had a heart of gold and will be missed by many! Give Stacie my love, dear Faye.*

“ *Faye, Where ever should I began? It seems like I've known you forever. I'll start back when we lived in Clemson. Oh the trouble you and I would get into. Ann was so "mean". lol. No really we had a lot of fun back then. Then we got older and a long came children - we didn't see each other as much but when we did - it's as if, we picked up where we left off. God bless you Faye. I hope to see you again.*
