“ *Uncle Floyd you will be missed. I so enjoyed when you would just show up out of the blue. You could always put a smile in my heart and on my face. I will never forget how excited you were for me when I graduated. I stopped by your house in Pickens right after. Hot summer evening. Sitting on your front steps just grinning. I love you Uncle Floyd. We will meet again some day > I know your smile is so big right now in Heaven> I can just see it so clear. I will keep Mickey and the precious family in my prayer always!!!.*
