“ *Chuck or Chuckie as I always called him was one of my best friends when I worked at Walmart. He was in the sporting goods dept for awhile before he joined me in selling cell phones. Chuck was a character. He always had a story to share and a smiling face. He made me laugh on a daily basis. I remember anytime it was 2:30 , he would say its tooth hurty. I moved away and didn't keep up with him like I should have, but I always considered him a dear friend. He was a joy in life and I'm sure if there is a heaven or an afterlife, he is a joy there as well. I miss you Chuckie. Rest easy friend. I love you.*

Chuck was not only the best supervisor who I worked for, but he was also a good friend. He always tells me that he is the boss of all bosses. He was loved by those who knew him. Fly High, "Boss of All Bosses"....
