

## Gail Morgan Chastain

March 27, 1957 - November 6, 2023

Gail Morgan Chastain, also known as GG, bid farewell to this wild adventure we call life at the age of 66. She passed away peacefully on Monday, November 6, 2023, surrounded by family and friends. She leaves behind a legacy of laughter, a love for life, the color yellow, and daisies. Born in Greenville, South Carolina, Gail was the daughter of the late John Clifton Morgan and Dora B. Arve Morgan. She had a smile that lit up the room and a laugh that echoed through the hearts of all who knew and adored her. Gail's love for camping at Low Water was legendary; she could pitch a tent faster than you could say "s'mores." Rafting down the river was her version of a spa day, and she did it with style, leaving a trail of laughter and singing in her wake. Family was Gail's heartbeat, and she spent her time basking in their company. She leaves behind a brother, sister, daughter, stepdaughter, eight grandchildren, and three great-grandchildren who will forever cherish memories of GG. In addition to her biological family, Gail had an extensive chosen family, a giant crew of kindred spirits who shared in her love for life and maybe a bit of partying.

Gail is now reunited with her sister, husband, and beloved daughter Terri, and we can only imagine the joyous reunion happening up there. Knowing Gail, she's probably organizing a camping trip or teaching the angels how to paddle a kayak. Here's to Gail—may her laughter echo through the mountains, and may the afterlife be filled with yellow hues and an abundance of daisies.

Cheers to a life well-lived and a legacy that will continue to bring joy to all who

remember the remarkable GG.

A celebration of her extraordinary life will unfold at her happy place, the scenic Low Water Bridge Road in Mountain Rest, SC, on November 18, 2023, at 1 p.m. For navigation tips that won't lead you astray, get in touch with a family member who's got the inside scoop. Let's make this celebration as unforgettable as the lady we're honoring—filled with laughter, love, and just a hint of mischief.

In lieu of flowers, the family encourages you to dive into making memories with your loved ones, perhaps even raising a bit of cain in her honor. If you're feeling particularly charitable, consider channeling donating to Neuroendocrine Cancer Research at [netrf.org](http://netrf.org).

Mountain View Funerals and Cremation Seneca Chapel are assisting the family with arrangements.

“ *When I was young, my cousin Nancy and I used to go play with Gail. I am sure Nancy went a lot. I always went to my grandparents, Grace and Maggie Hunnicutt's every other Sunday and spent a week every Summer. I always enjoyed going and visiting with the entire family. Good memories.
