“ Wayne was my coach in Re baseball and he was so good with children. He would make a comedic remark that would make you grin but also motivate you to do better. He was so much more than a coach. I loved seeing him at the golf course just shooting the breeze about the good old days! I will certainly miss him and his gentle good nature.

“ Saddened by the news of Wayne's passing--what a loss for all of us who were fortunate to have played ball under both Chappell brothers. He always had a kind word and smile along with encouragement for his players. Deeter, you and Wayne could never know the impact you had on my life as a young ballplayer--i liked baseball before a "Chappell" came along and loved it thereafter. I pray for your peace and consider it my good fortune to have known Wayne.

“ Wayne (Fred) and Deeter were my first rec football coaches and later Wayne got me to coach with him while I was in college. Fond memoirs of going to Blue Flame football games and watching the game from “Chappell” hill at Bruce Field. Jay, Matt, and Deeter. Thinking of y’all.

“ So sorry to hear the news about Wayne. We had some great times together coaching Rec League football! He was truly a master of the shotgun offense. He would call me at work on game day to discuss the game plan. Wayne would tell the lady at the switchboard that Mr Pickens was calling and needed to talk to me and she would page me. I still don't know how i didn't get fired. Jay, Matt, and Deeter, know that I will be praying for all you in the days ahead. May our Great God give you comfort and peace during this time.
Rest In Peace Mr Pickens! I love you man!
