“ I am so deeply saddened in the loss of one so dear. I will miss Geneieve sorely...I always sat with her most often when I attended church, she and Gail came to see me a few months ago. We were always touching base and calling each other. Glad I phoned and checked on her..she told me she was in hospital while I was having my knee replacement July 26. She had just been home a day. She is in a better place, walking the streets of glory, with Jesus, and our loved ones. I had gotten so close to her, she was always so caring and easy to talk with...I love and will miss her immensely. Love and prayers to you all precious cousins!!! So sorry I'm not able to attend receiving friends.
