“ So sorry for your loss. Geneva was such a sweet lady. When I would see a group gathered outside Geneva’s door I loved rolling my mother down to her end of the hall to the ladies’ “Hall” meeting. I would always ask if they had solved the world’s problems yet and Geneva would say “working on it” and they would all grin. My mom would laugh. I hope that entire group that would gather is still working on it together! 🥹🙏💕🙏🥹
