“ George and I were very good friends for many years. We shared many good times together over the years we new each other. We went fishing, to ball games, to the drag races in Commerce Georgia. Shot pool together. You name it and we did it. We kinda lost touch after I finally got married and settled down. Hadn't seen him in several years. Got to thinking about him one day and just happened to think to myself, I wonder if he's still alive? I put his name on my phone and the word Obituary. And sadly, his picture came upon my screen. He was a very dear friend and he will be sadly missed. I wish I'd got in touch with him and spent more time with him before he died. I'll never forget Old George. He was a good person and I Loved him like a brother. Rest in Peace Bro. I'll miss you. But we'll get together again, some day. I wanted to express to his family that I'm very sorry for your loss. Like I said, you're gonna see him again some day.
