“ *Lavonda,
We are so sorry for the loss of your mother. Gladys was a blessing to our family when she was a roommate with Mary Lou. She was so kind to Mary Lou and to our family. She was so good at cheering everyone up and getting a laugh out of a bad situation. I will never forget her sleeping in her recliner so she could get up faster when Mary Lou wasn't doing well. Gladys was so fortunate to have you for her daughter. I have never seen anyone spend most of everyday with their loved one who was residing at assisted living and always with a positive attitude. You took such great care of your mother. We watched you tirelessly attend to her every need and you did so for years. Thanks to her loving daughter Gladys knew she was well taken care of and most of all loved. You will certainly miss her but I hope you find some peace in knowing how devoted you have always been to her.*
