“ To Gladys’ family,
We were saddened to hear of Gladys’ passing. Although we had never met we corresponded via letter and phone for several years. Our acquaintance through my family and their friends. A very talented lady who painted a beautiful picture for us and her many cards and letters. I admired her penmanship. We exchanged many laughs on phone conversations, from recipes, gardening and everyday events. I remember her telling me last year she was the last of her siblings. We will miss you Gladys. You were a joy to know.

“ So sorry, Gladys was a very sweet loving lady and we will miss her very much. I always enjoyed talking to her on the phone and going to visit for awhile. Bentley always called her Ne Ne, always said he loved going to her house and playing with her and all her toys. She painted a picture of the old Holders home, the house I grew up in and gave me, will always cherish it and will hand down to Bentley. My prayers are with the hold family and will miss our time together.

“ Sending our condolences and prayers to our multi family members in the loss of sweet Gladys. We are still baking the orange coconut pineapple cake recipe she gave us. We always exchanged Christmas cards and she loved to paint the Thomas Kincaid that we sent her. She also donated one of her paintings to the Pickens Senior Center. James we are praying for you and know that we love you.
