“ It was always a pleasure to see Gladys bring her spoiled dogs to the Animal Clinic. She loved the fur babies and treated them like a real baby. Always enjoyed the pound cakes Gladys baked and brought to the office for the staff. Deepest sympathy to the family.

“ Loved Gladys! I worked with her when I was a young inexperienced nurse. I am honored to share some of her family as my family also!! She was honest and straightforward with just the right sass and spunk! I know she’s completely healed and walking with her Savior! Prayers for all the family!!
