“ I am so sorry to hear about Gail's passing. I'm still in shock! When I think of Gail I will always remember her laugh and smile! She was a genuine person who loved to have fun and loved her family and friends! She was always a great friend to me when I needed her advice she was always there. I will always cherish all our memories on the church pews at Midway talking and sharing what we did the day before and where we bought our outfit we had on (We always talked cloths) She was so much fun and I loved her so much .
