If roses grow in Heaven, Lord,

Please pick a bunch for me.

Place them in my Mother's arms

And tell her they're from me.

Tell her that I love and miss her,

And when she turns to smile,

Place a kiss upon her cheek,

And hold her for a while.

Because remembering her is easy,

I do it everyday,

But there's an ache within my heart

That will never go away.

Ms. Glo you will be missed , I will always love you

“ Though I never had the pleasure of spending time with Ms. Gloria Ann, I can speak to what a wonderful woman and mother she was as I know her son who is a reflection of the attributes of her I feel she must have treasured during her time here. May all who loved her feel her angel wings flutter daily.
