“ Frankie and John - Sending our deepest condolences to you and the entire family. Grady was a wonderful gentleman, so kind and thoughtful to our family, a great (and patient!) boss, and always had a smile and a wry sense of humor. He was very proud of you all. We're hoping that good memories will help during this time.

“ Grady, as well as Wanda, Danny and Roger, were special childhood friends. We attended church and school together, with Grady being in my graduating class of 1965, at PHS. This news makes my heart sad. I will be remembering everyone in my prayers in the days to come.

“ Grady was a wonderful neighbor for several years. I enjoy my connection with Frankie and John through him. I remember when he decided to move closer to Frankie. He was over joyed when the move happened. He loved his family so much. Blessings to all who loved Grady. He was special.
