“ *Grahl, Vivian and children, David and I was so sorry to hear of the loss of your son and brother. We are holding each of you dear to our heart. Although we never got to meet Buck, through Matthew, my nephew, I have learned more about him. Matthew is on duty now but hated to hear this news. He shared memories with me and maybe he will have time to share with you. David and I also have friends who are a firefighter couple (retired from New Jersey). They send their heart-felt sympathy. They stated that they know the job but they don't have to know the person. David & Debbie, Matthew B. and the Campbells*
