*Just heard about Guy's passing. His career and mine crossed and re-crossed from about 1970 until we both retired from SLED. Guy was my supervisor when we were both Pinkerton detectives in the late sixties, early seventies. When I was promoted to chief of enforcement in the SC ABC Commission, I sought out Guy and hired him away from the Pickens County Sheriff's Department. He was the most dedicated ABC agent we had and we used his talents and interests as he became the armorer for the ABC enforcement division and developed expertise in the use of explosives to destroy many illegal distilleries. He found many of them and became the agency's "go-to" agent for finding and working them. My deepest condolences to Kathy, Koan and Janice. I'll miss Guy.*
