“ Harold will be missed, we were co-workers at Imperial Die Casting for many years. I got to know Harold and really enjoyed talking and getting to know him, Harold was easy going and a hard worker. Everyone liked Harold, he never caused any problems for anyone. I remember many times he and I would chat and talk about the Lord Jesus Christ coming back. Harold believed in the Lord Jesus Christ and his death and resurrections . When we talked he would get that joy inside of him ,you could see it. God said in his word to be absent from the body is to present with the Lord. And who so every believeth in him should not parish but have ever lasting life. To Harold's remaining family members and friends, I am so sorry for your lost. But have that peace in your hearts from the grace that the Lord God gives us to carry on. And rest assure that all does love one's and friend's that went on before us all, We will see them again, if we have accepted the the Lord Jesus Christ as our personal saver and asked him to come into your heart and forgive you for our sins. God paid the highest price "Jesus " a free gift to us all that will accept him .Harold was my friend and and brother in "Christ Jesus" I know in my heart we will see him again. "God Bless you all."

“ Harold Dean you are going to be dearly missed. Your house was my second home. You took after your Mom, you both had hearts of gold. I am sure you are having a grand time strolling over heaven with Aunt Jessie and William. No more heart ache and no more pain. Rest in peace my sweet cousin and friend. You will be missed.
