I wrote a poem for you and Scottie

♥️ The first two guys I ever loved

Have went to Heaven up above

Until my time comes to take my flight

I know everything will be alright

Not a day will go by that I want think of you

I will see you both when my journey is through

God has appointed all of us a time to die

But it doesn't stop the fact it has made us cry

I love you both with more words than I could ever say

I will see you soon,this I pray♥️

“*King family - my heart breaks for your loss. From the moment I entered the King family, Harold “Dad” treated me with kindness, love and support. I quickly became very attached to him as he treated me far better than my own father did. I know I was not part of your family for long but please know I am very sad for his passing and my heart grieves with you all. I pray that our Heavenly Father will provide you all with peace and comfort during this difficult time. Love, Dee*
