“ Me and Gene were little hell raiser kids. We would ride gocarts and ride bikes every weekend as kids. I remember his Dad, Eddie, was a master mechanic if i recall. His sweet sweet Mom, Kim, was so nice to me as a kid. She treated me like family. and his adorable brother, Gary. Even as a kid, i could see Gary was a brite light for their family. Breaks my heart to see that Gene passed, I always wanted to reconnect. Ill remember this family and their kindness towards me always.
