“ I have so many memories of the times that I spent with Keith during our younger years. We were the best of friends, plus I worked for Little's Auto Sales and later L&L Auto Sales. We made countless trips to the auctions in Darlington, Swainsboro GA, and a few to Statesville NC. Not to mention traveling all over middle Florida. Keith, Barry and I traveled many miles together while making so many memories. He was definitely a good friend. My love, thoughts and prayers are with the family. May God bless and comfort you all.

“ So sorry to hear about Keith. Sending love, prayers, comfort & strength to his family & friends. He'd call me to pickup cars locally from time to time. Many years ago I traveled to Florida one weekend with Keith to earn some extra cash. He was hauling a trailer loaded with cars to resale at L&L. I drove a car following him. It was all I could do to keep up with him. I learned what "put the pedal to the metal" meant. Seems we drove every back road from FL to Easley. A trip I'll never forget. RIP Keith

*I'm praying for Keith's family. I had not seen him in a while, but he has always had a special place in my heart. I know we all have an appointed time, but it is still hard to think about life without someone we love. When my first born baby girl, Jessi, passed On November 5, last year, I just couldn't wrap my head around it. I still can't, but we just have to take one minute, hour, day...at a time.*

*Keith was such a special man and hopefully we will all see him again one day. Instead of saying Jessi or Keith passed, I like to say that "They just changed their address. " May God comfort each one of you, and let's be sure that we will all meet again. I loved Keith and I love all of you! Wanda Lesley Hicks*

“ *What can I say about my uncle Keith. My youngest memories revolve around activities on the water at Lake Hartwell in my younger years, then on Lake Murray later in life. Whether it was the topic of cars, boats, women or motorcycles we always had something to talk about. Keith had a strong sense of family who he cherished more than anything and loved them dearly, along with many special life long friends. Keith will be greatly missed by me and all who knew and loved him.*

To the Little Family, Many, many years ago I had the privilege to go to the car auction with Barry. Golly, I don't even remember how long ago it was. I just know we were gone all day. Mama made Mr. Little call her and tell her about the day trip. We had a good time. Barry was a hoot as always a jokester, as well as Keith. I realized after that day where Barry got his witt from. A sweet and kind family, giving family too. Their Mom very sweet too. I will be praying for yall. It is gonna be hard the next few months, but Our Sweet Savior will comfort yall and help you thru this hard time!! I sure Keith is stirring some laughs and joy with his sweet Mom and Dad!! God Bless Yall!! Annette Porter Stewart
