“ Henry was one of a kind and will be missed dearly. A man that would give you the shirt off his back without thinking twice about it. He was always helping someone. I told him on several occasions “Henry you can’t save the world” but in his eyes he thought he could & was always there with a giving hand for someone at all times. He was such a loving and caring man. My kids loved him so much. Saying he will be missed is an understatement. He was so very loved by so many people.
