“ Met Paul when he was only 19 and he was the most wonderful dad our 2 sons, Kevin and Eric could ever have had ! Whatever they were into then he was too from Boy Scouts to rock climbing. Paul loved the outdoors and would often be heard singing gospel songs as he worked. Now with his mother that he never knew (she died when he was 2) and the rest of his 11 wonderful brothers and sisters.

Paul was a great friend. We used to go on motor cycle rides all the time. And sighs we saw. I don't know how to say in words what the man means to me. My son Reggie said when he told me you two were best friends. Most important things we done we prayed together. And ho the glory of God came down

“ I have many fond memories of Paul having worked with him at Blue Ridge Nursing. He was a man of great faith and a deep thinker. He loved Teresa and his family fiercely but most of all he loved his Lord and Savior. Sorry to hear of his passing, I know that he will be missed and remembered fondly.
