“ Angie I wish I could have seen Mrs Inez more, but COVID stopped that. She always did something funny when I was there. I could see what her personality was. Angie you did a great job taking care of her. I know you will miss her and will have a void in your life. Christ can fill that void. Take care of yourself. Emily Roper CM

“ I absolutely loved grandma Inez! She was so precious and treated my daughters and I like her own family, and grandma Inez would play with my daughter and I could see her face light up when they would play around being silly. I could see her youth coming out. I love and will miss you dearly. I know your looking down on us Thank you for accepting me as your granddaughter R.I.P sweet angel
