“ Forever going to miss my Cuzzo I hate you left this world so soon I can't believe I will NEVER HEAR what's up Cuzzo but man you were the most humble and kind dude I knew! You had the best eyelashes on the block 😭 you hated when I told you that! Thankful for our childhood and memories I had the best time because we never were not together playing in chicken pens slopping hogs making clubhouses out of any and everything we could! Taking tin from the hog barn even tho uncle Littleman blessed our little hearts out, we did it anyway! We lived life to the fullest we had the best childhood together and I'll forever hold that close to my heart hard to believe your gone 😭 look out for your big brother and sisters up there they'll need your guidance in this time of their lives! Your Aunt Lisa sure will miss your bear hugs don't worry I'll try to keep her straight 😊 Love you always & forever!
