“ Doug and I are saddened to hear of Jackie 's passing , was just a shock. Nancy we are thinking of you and was such a Blessing to have met Y'all and enjoyed the times we attended Church together. Jackie was doing so good on the song he was learning. The last time I saw y'all at church y'a 'll did a great job singing. Gonna miss him and such a blessing to have got to know him. Love you Nancy but God had a plan for Jackie I remember his last testimony I heard him give . You have our Sympathy and you are in our prayers. Libby & Doug

“ Jackie and Nancy are my family by marriage but in heart, they are my brother and sister. I had just lost my brother when I become a member of the Powell family. Well Jackie loved to play pranks on me “at my expense” just like my brother. His passing was a lot easier because of this great brother with a wonderful sense of humor. We will all miss you but I know you are having a great reunion with all your family and the Powell family you were so close to. And you are with your Lord and Savior that we enjoyed serving and singing his praises.

Love,  
Sis Donna Powell
