I am truly sorry to hear James passed away. James was married to my cousin Sue. And I knew him from back when he worked at Cannon Hospital. He was the sweetest and kindest man I knew at the hospital. May God comfort his family in the days ahead. I love you all.

James Burgess was a co-worker at Cannon Memorial Hospital and we all loved him dearly. He was a special caring person that could tell us a story of our days at Cannon and keep us laughing as we recalled those days. James will be missed by all who knew him. Our thoughts and prayers are with his family.

I worked with James for many years at Cannon Memorial Hospital. He was one of the sweetest people you would ever know. I enjoyed so much the stories he would tell us of his adventures over the years. He was a wonderful person and will be missed so greatly.
