“ I was employed at Singer and worked in the same area as Mr. Dickard. I always knew him to be a fair man with high ethical standards. He was a good family man and a passionately caring man to his employees! My daddy worked for him and he wld b the first to say that Mr.Dickard was the best boss man he ever had! To the family im sorry for ur loss but in time u will meet him again!

“ It was my great pleasure to work with Farrell at Singer. He was a dedicated manager and friend to his people and to those of us who worked around him. He was also a lot of fun to be around and had many interesting stories.
I am sorry that I did not know about his passing and that I missed his service.

You have my sympathy, He will surely be missed.

“ Dear friends,
You have our most heartfelt sympathy in the loss of sweet Farrell. He was so friendly and nice. He sure did love his family. We are glad we had the privilege of knowing him and worshipping with him while we were at PFB. You will be in our prayers. Love and Hugs to all of you. We both have the "crud" so will not try to go to visitation or graveside. Just know we will be praying
