James "Jimmy" Allen Hayes, born August 2, 1966 passed away March 24, 2022. Jimmy had true grit. “ Jimmy was my best friend and big brother I never had when I was 13 years old. My family moved away out of state and we lost touch for many years, but I never forgot him. We were lucky enough to reconnect a few years ago and got to spend a lot of time together. Over the years we had grown into very different people, but that close bond of brotherhood remained. And now we say goodbye again. Peace, big brother, until we meet again. I will never forget you.
