“ Sending love and prayers to Linda, Brenda and your brothers. You know the worth of a person by the family he raises which says much about Mr. Young. I know how devoted you all were to your Dad. I'm sure he is already rejoicing seeing your Mom in heaven! We will keep you all in our prayers!

Hey, I'm always the last one to say anything. I'm so sorry you guys! This hits close to home ya know. I'm thinking all the good ones are gone now. Our Beagle daddy's 🐶 allowed us to grow up around each other and that sorta made us all like family. I remember the time my dad and I came over one evening and it started getting daylight before he and I left. I actually believe you two (Linda&Brenda) when y'all told me that I had stayed the night lol, bless us, we were so young. I'd give anything to go back in time for just a little while. If any of you should ever need me for anything at all please don't hesitate to contact me. Karen and Daniel both have my number. Take care of each other, there's nothing like a close family. I wish I had one. You all were the lucky ones.
Take care, love you all
Always! 🐶
