It was my house where the famous "Siamese Cat Jumped on my Head" incident happened. Poor Tony came to ask about a job and my cat attacked him! Love him and all the family, sending hugs and prayers.

“ I came to know Tony when he attended my SS class at Easley First PH Church. He was a young husband and father at that time. He was a kind, humble and precious man. I came to appreciate him more and more through the stories that his sisters (Kay Dunn and Tammy Dunn) shared. There's a little proverbial saying that "Sisters help their brothers fly." Being a sister with brothers, I know it true—and so I am thankful that Tony had 4 sisters that "helped him fly till he took his flight to his Heavenly home. Send love and prayers to all the family!
