“ *In 1977 my first day working for Pickens Railroad, Carl rode with us on the train and gave me my first lesson on working on the railroad. He was also a big help to me when we built our garage at our second home. Always so willing to lend a hand. He was such a good Christian friend to me and my family. We will always remember his kindness and smile. Our thoughts and prayers will continue to be with you all.*
Love to all,
