“ I remember one Christmas I gave you a gun that used black powder. You had a big bird in a cage and when you shot the gun ,the bird screeched I'm dead, I'm dead and fell over upside down holding on with its claws thinking it had been shot. You laughed so hard tears were running down your face. You thought the bird had a heartattack. I will miss you so much. Now you have no pain. Loved having you as my brother. I will never forget. Your sister Ethel
