“ We had many good chats on the phone. You laughed at my attempts at humor. Our cousin Dennis always said he would love to see you because you were a cute little boy and filled with humor. He enjoyed the time he got to see you when he was down here visiting. We all remember your humorous ways. I remember how you thought that your Uncle Phillip was tops. I loved you so much and remember that you invited me to supper with y'all many times. You sorry took care of me when Phillip passed. I will remember all our good times and the time that you said you rubbed my nose in the meal y'all were having so that I would give in and come have supper with y'all. Love you always, miss you badly. Love, Aunt Janice

“ So many childhood memories of Jamie. He was hilarious and always fun to be around. Always making me laugh. Jamie loved to swim and go fishing and just being outside. Jamie was one of my favorite cousins. Although we grew up and when our own separate ways Jamie is a special cousin that I will never forget. Praying for the family as you all go through this very hard time. I love you Harold Janet and Joey.
