“ Janet always had a smile on her face and a kind word to share. I was honored to work with her for many years at JMB and am honored to call her a friend. God is blessed to have her as an angel in heaven 🙏🏻🙏🏻❤️

“ I had the pleasure of working with Janet for many years with the school district. She had a passion for children and loved all of them as if they were her own. The love she had for the children at school was incredible but didn't compare to the love for her son, Joey and granddaughter, Emily. They were the loves of her life. She was one of the hardest working women that I have ever known. She was ready and willing to accept any challenge, whether it was staging a home, remodeling an older home or just adding a fresh coat of paint! She will be missed, but I know she has found a corner that needs a splash of paint on the streets of gold. Until we meet again, love you...mean it my friend!
