“ To the Janet Morgan Family, was so sad to hear about Janet passing away, Janet was one of the first girls I met when my family moved to Pickens in 1966. She made me one of her girlfriends and I will always treasure the memories that we had! Praying for your family today, I have never met you, Samantha, but sweetie, you look so much like your mom when she was in high school. I'm praying that our Heavenly Father will carry you all thru the difficult days ahead.

“ It didn't matter what we were dealing w in our own life over the years nor how long it had bn since we had seen each other. After a week or after years we cld pick up our relationship right where we had left it beforehand. Too many memories made since we first sat togetherr on the school bus 50 yrs ago. Had we both lived another 100 yrs I wld still consider Janett the best friend I ever had.
