“ Momma,
Words cant express how much you are missed. Never did I think God would take you so soon, but he called you to heaven. He knew you were in so much pain and are no longer hurting. You taught not just me but my girls how to be so caring of others, and gave us all the love in the world. I'm lost now without u cuz u were always there for us and helped me grow into the woman I am. We may have not seen eye to eye often but that's cuz we had the same hard headed attitude. You weren't lying when you said the pain of losing your mother was the most painful pain and feeling so lost. Now, your in heaven with your parents and Brad and you no longer feel lonely. I know your here watching over us being our guardian angel. Rest easy now and know your are forever in our hearts. WE LOVE AND MISS YOU SO MUCH!!!

Love Always,
Kimmy, Wesley, Serenity & Trinity & Matthew

“ I’m still in shock that you’re not here. You were more than a friend, you were my Sister. I have so many memories we shared. I remember all of our sleepovers, usually outside in a tent in your backyard. We were always together or on the phone. You had a garden as Pops (our dad) did and grew Tomatoes 🍅. We would love to have Tomato and Mayonnaise Sandwiches! When I was scared, you were there to protect me and even fought someone for calling me names. We shared everything! Our secret crushes, our feelings that we went through growing up. Dances in 7th grade when a boy got “ a little too touchy “ with you and got slapped. He sure did deserve that one and No one dared to step up to you. You taught me how to stand up for myself and be respected. Our Soccer Games wearing matching shirts of our Crush ☐ So funny his friends picked on him we were in 9th grade he was in 12th. I remember when you graduated early, I cried when they called your name at Graduation. You had moved to Florida and I was lost. My heart hurts So bad right now. I have to remind myself that you are in Heaven watching over All of us. You’re with your family, and Pops. You are Still Here inside of Your Family, and Friends who were Blessed to be a part of your Journey. Our Memories will keep you Alive. This Is Not The End, This Is Not Goodbye. We will see you on the Other Side... I Love You, My Beautiful Sister. Give Everyone Hugs For Me 🙏🙏🙏🙏🙏🙏🙏🙏🙏🙏💖💖💖💖💖 Diz. (My Nickname you called me)

“ To my dearest family, some things I'd like to say...

but first of all, to let you know, that I arrived okay.

I'm writing this from heaven. Here I dwell with God above.

Here, there's no more tears of sadness; here is just eternal love.

Please do not be unhappy just because I'm out of sight.

Remember that I'm with you every morning, noon and night.

That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you."

It's good to have you back again; you were missed while you were gone.

As for your dearest family, they'll be here later on.

I need you here badly; you're part of my plan.

There's so much that we have to do, to help our mortal man.

God gave me a list of things, that he wished for me to do.

And foremost on the list, was to watch and care for you.

And when you lie in bed at night, the day's chores put to flight.

God and I are closest to you in the middle of the night.

When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears.

But do not be afraid to cry; it does relieve the pain.

Remember there would be no flowers, unless there was some rain.

I wish that I could tell you all that God has planned.

But if I were to tell you, you wouldn't understand.

But one thing is for certain, though my life on earth is o'er.

I'm closer to you now, than I ever was before.

There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time.

*It was always my philosophy and I'd like it for you too...
that as you give unto the world, the world will give to you.*

*If you can help somebody who's in sorrow and pain,
then you can say to God at night... "My day was not in vain."
And now I am contented that my life has been worthwhile,
knowing as I passed along the way, I made somebody SMILE.*

*So if you meet somebody who is sad and feeling low,
just lend a hand to pick him up, as on your way you go.
When you're walking down the street, and you've got me on your
mind;
I'm walking in your footsteps only half a step behind.*

*And when it's time for you to go from that body to be free,
remember you're not going you're coming here to me.*

*I love and miss you very much cousin
RIP Netty*
