“ Growing up,I always considered Jennatte and her sisters part of my "extended" family. She was always so vibrant and full of life. I loved hearing her laughter and making her laugh. She had a way to light up a room and bring a smile to anyone's face. There is no doubt that she was one of a kind. She was truly a wonderful person with a kind heart and a beautiful soul. I really regret that I did not spend more time around her in the past few years. She leaves a void in my heart.

“ There are so many memories..I love you youngan, I told you this many times and I pray you knew this love came from my heart. You always tried to help everyone that you could. There were more times i felt that you gave more than you received. I seen you give with a giving ❤️...never expecting anything in return time and time again...this was gift that many did not see ...there were so many times that you could make people relax and enjoy life,enjoy the moment,enjoy just being with friends,enjoying just being with the people we loved and cared about. We may have not always done what was the right thing in some peoples eyes,but we have been places some could not understand and thats ok...because as we have talk many many times we knew Gods grace carried us through...you and I had talked recently about the Lord and I believe he was with you every step of the way on this earth,until your last breathe. I know you loved the Lord Jeanette,many people may not have known this so i wanted to say this, I want everyone to know, to know i believe you are in a better place and that we will see you again..I will miss you always I love you.....RIP...watch over us you know how we can get sidetracked at times...I know that your family will miss you so..you were the strong one...my prayers are with your babies and all your family...
