I loved Harold. He was full of mischief, but when he was quiet, I always wondered what he was thinking. I know he will be missed so much by all of you. As you ponder on his life and how much Harold meant to you, you will have TONS of memories that will make you laugh or cause your emotions to soar with pride. You are in my prayers with continuing love and great memories of our times together.

“ I truly loved my Uncle Harold, I cannot say how much I enjoyed traveling with my Uncle Harold and Aunt Bobbie going to “Plott Days”. I have seen things , learned things I never would have had it not been for them. I had some once in a lifetime experiences with them, it ain't just everyday you get to play with a black bear cub. A lot of love and a lot of great memories, I love y'all, praying for you Aunt Bobbie and the whole family.

“ Bobbie, I am so sorry to hear about Harold's passing. He was a wonderful person who was a joy to be around- even when he was being his mischievous self. I will never forget his pranks, smile and big hugs! I wish we could have gotten together for a few more "sad bluegrass songs" but I know where he is there is no sadness! May God wrap His arms around you and the family and comfort you as only He can. Love and prayers,

“ I'm proud to have used my nursing skills these past 3 1/2 months to help Bobbie take care of Harold at their home. Not positive he knew who I was, but the best day was when he started after my toes with his walking cane. He always had a mischievous touch to him. Oh, the grin on his face! Thank you to the family for sharing this time with me. Love & prayers for all
