“ Jessica I know we didn't always see everything the same way but in the end we are sisters. I still can't believe that you are gone. I love you very much and my babies love you. I just wish I could have told you that I love you one last time. This has been the hardest thing in my life. I remember when we were little and be playing I also remember the times we would fight and fuss. I just want to call and check on you or text you one more time.

“ *Jessica, you will be missed. You were a good friend and I know you would help me anytime I ask. I'm so sorry that I couldn't help you anymore than I did, but you wouldn't allow it. I still love you anyway. Remember what I told you when you only see 1 set of foot prints. That's when God carries us. Hopefully and prayerfully you are up in Heaven with momma, your granny. Tell her hello for me and I miss her soo much !!!*
