“ *Ray always had the sweetest spirit about him in all the years at Faith Church. I am sure you will miss him greatly. One day you will be able to see him again. He is healed now and running on the streets of gold. My kids, Michael and Crystal thought a lot of him too. You and the family are in my prayers.

“ *Glenda, although we have not known you and Ray for a long time, we feel like we have known you for years. It was our pleasure to get to know you and Ray during the time that I was the interim pastor at Faith Baptist Church. Ray was a faithful Christian who loved the Lord and loved his church. Please know that our thoughts and prayers are with you and the family.*

“ *To all of Ray's family, I am lost for words to tell you how sorry I am for the pain all of you are feeling right now. I want you to know that Ray was one of my best friends and he will never be forgotten. Ray was a friend that was always there and fun to spend time with. We became even closer friends when Betty passed away and Ray would come over and hang out with us. He went with Debbie and I to Pigeon Forge and had a great time during that time. I will miss Ray's friendship but I am thankful we will be reunited one day in Heaven thanks to Jesus Christ our Savior. Until then, I will hold on to those wonderful memories we had together. I Love you Brother Ray and I Love your family! Randy Lusk*
