“ *Many years ago when Mrs. Turner was a nurse for Dr. Parrish, I had to carry my Aunt Ressie to their office every month for blood work. As my Aunt's health deteriorated and it became hard for her to walk into the doctor's office, Mrs. Turner told me to just come get her and she would bring all of the supplies outside and draw my Aunt's blood in the car. That was probably 20 years ago and I have never forgotten that kind gesture. I am sorry for your loss. She will be missed.*
