“ The Outer Banks has so much to offer as for as a vacation spot goes but Joe was Always the highlight of every trip for me! I'll forever cherish those sweet (&hilarious) memories bc of Joe's unique ability to keep us laughing no matter what was going on. Best memory hands down was when we had the opportunity to be at the point when the blue fish came in...literally fish were flopping up on the beach. I think we filled 4 coolers in 2hrs . We were so excited but exhausted from all the laughter. RIP Joe. I'll see you later
