Here's to a man that I will always remember as serious,stubborn, and understanding.

Here's to a man that I will always remember as loving, caring, and helpful.

Here's to a man that I will always remember as country,hardworking, and laughing.

Here's to a man that I will always remember as taking a city kid and showing him what country life is really about. "In other words"

“ My heart is broken, but in time it will heal. Uncle Johnny was like our Dad too, all through our lives, he was always there. We always was so happy to see him when we were kids, I still remember those days. We nicknamed him "Archie" because he had a favorite chair that no one could sit in. Rest on Uncle Johnny, you will be forever in our heart ❤️ Love you always.. Mommy, Ronda, Tank and rest of the family...
