“ I am so sorry to see this! I met Jolene when she was driving a bus. I taught two of her grandchildren. She was always so sweet! I never saw her without that smile either!

“ Jolene was a loving caring person with a servant spirit that resonated in her love for the special needs children she diligently transported throughout Pickens County. I will always remember the tender love and care she bestowed upon my son.

Rest well my friend!

My deepest condolences to the family and I pray for the Comfort of the Holy Spirit be with you all.

“ I remember her first day driving for the Liberty-Daniel office. She broke down in the middle of the road. I didn't think she was coming back. I also remember making her a birthday card one year with Dolly Parton sing Jolene, Jolene, Jolene, JOLENE! She got a big laugh from that one. I didn't get to see her much, but we stayed in touch. She was a supportive, good, kind friend. I know I will miss her. She loved her family so much.
