“ *Jonathan really enjoy time at the lake with his kids. Showing them how to use a kayee safely. Tossing them into the water, and fishing off the bank. He always managed the grill everytime we were at the lake. He cared deeply for his kids. Jonathan like to share memories, cut up and joke around with family friends. I will miss him and his crazy sense of humor. May God show him the streets of gold on their way to the most beautiful lake in heaven.*
